**PARK AVENUE FITNESS**  
**BALANCE WORKSHOP & FUNDRAISER**  
 12 pm SATURDAY APRIL 27

Spring time is here and with it comes beautiful sunny weather, which means you're going to be on the courts-tennis and pickleball - more often. These games require good balance and the ability to change direction, shift your weight and movement, in a matter of seconds. Let Park Avenue Fitness help you achieve your A-game and attend our **BALANCE WORKSHOP** on **April 27<sup>th</sup>, Saturday, at 12pm.**

This is also a fundraiser for Second Harvest Food Bank! A \$20 donation is recommended but not required.  
**SPACE IS LIMITED, so TEXT MARY at 831-251-1810 to RESERVE YOUR SPOT**

YOUR ATTENTION PLEASE

An unlocked hallway closet in the Adult Locker room building now houses a wheelchair and crutches, making it easier for all to access. Hopefully, we never have to open that door.

A thunderous thank you to David & Tina and all those who pitched in for making such a successful, fun-filled St. Paddy's tennis & social event. Once again David's masterful skills of organization and operation are matchless!

Surprise inspection by Green Waste Management recently at the Club resulted in ---- we do not know yet. **Please help out and throw your trash in the correct bins.** They want us to remind everyone that **coffee cups do not go in recycle nor green waste. Coffee cups go in the trash, along with food containers that have food residue on them such as pizza boxes, chip bags, wrappers, plastic containers-- they go in the trash, not the blue recycle bins. Place food scraps without wrappers and containers in the green waste bin.**

Thank you.
